	16.09.2003 Shri Prashant Mishra, counsel for the petitioner. Heard on I.A. No.7679/2003. The petitioner has preferred this application stating that the petitioner was appointed as a Research Associate on 07.01.1991 in the Biomass Research Centre set up by the respondent University and was also engaged in the teaching work for a period of more than five years. The Biomass Research Centre has been closed w.e.f. 31.03.1997 and on account of closure of the Research Centre the petitioner has also become jobless and unemployed and the University is not taking any step for filling up the post of Scientist Grade –B and Lecturer which is lying vacant despite various representations. Now the University has invited applications for recruitment of the Lecturer (Life Science / Bio Science). The petitioner has also applied for the post of Lecturer vide his application dated 11.11.2002 (Annexure D-1). Therefore, the respondents University may be directed to consider the petitioner's past experience of five years on the post of Research Associate in the Biomass Research Centre, set up by

the respondent University while making selection to the post of Lecturer.

Learned counsel for the petitioner submits that the petitioner had filed this writ petition in the year 1996 for regularizing the services of the petitioner but this petition could not be taken up for hearing in time and during pendency of this writ petition the project under which the petitioner was working came to an end and with the closing of the project the petitioner's services has also been stands terminated on 31.03.1997. Therefore, in the given situation the respondents may be directed to take into consideration the past experience of five years of the petitioner on the post of Research Associate in the Biomass Research Centre while making selection for the post of Lecturer and the petition may be disposed of with this direction.

Having heard the learned counsel for the parties and having regard to the facts and circumstances of the case, since the petitioner has worked as a Research Associate in the Biomass Research Centre set up by the respondent University, it is directed that if the rules and scheme permits than respondents
